### Career Summary

Tom Fisk serves as a partner/senior commercial real estate advisor at NAI Pfefferle, where he is responsible for sales and leasing of retail, office, industrial and investment properties in northeastern Wisconsin. He specializes in retail and investment properties, working with national, regional and local clients. Mr. Fisk was named a partner in the firm in 2020. He has been in the real estate business for over 30 years and has been involved in leasing, site selection, development on a fee basis, property management and property sales for both development companies and for brokerage firms.

Prior to joining NAI Pfefferle, Mr. Fisk has held various positions in the industry including executive level management leasing and development duties.
