Career Summary

Linda Gill began her career with NAI Pfefferle in January 2009. In September 2017, she obtained her real estate salesperson license.

Ms. Gill supports several brokers in the firm assisting with research and comps, new listings and amendments, zipforms, CoStar/LoopNet, creating profile sheets, BOVs and proposals, sign requests and sign inventory. She is responsible for keeping data current in ReApps (real estate management program). She also assists the property management division as needed.

Her past experience includes working as a legal secretary at a local law firm.
