### Career Summary

Manny Vasquez, vice president of business development for NAI Pfefferle and Pfefferle Companies, is responsible for cultivating new and existing client relationships, markets and strategic initiatives throughout the state of Wisconsin. He works in collaboration with NAI Pfefferle's brokerage team, as well as its sister company, Pfefferle Management, to offer a comprehensive platform of commercial real estate services to organizations of all sizes and types. In addition to strengthening Pfefferle's local presence and expertise, Mr. Vasquez works to leverage the company's affiliation to NAI Global, the world's largest network of independently-owned commercial real estate firms, to provide extensive market coverage to clients with multiple locations and needs.

Prior to joining NAI Pfefferle, Mr. Vasquez served as the vice president of the Fox Cities Regional Partnership (FCRP), a public-private economic development entity focused on business recruitment, retention and expansion efforts in Wisconsin's Fox Cities region. Prior to leading the organization, he served as FCRP's director of existing industry services. Mr. Vasquez also served in the roles of regional director and staff assistant for two U.S. Senators, both on Capitol Hill and Wisconsin. He is actively involved in multiple local and statewide organizations and lives in downtown Appleton with his wife and four children.
